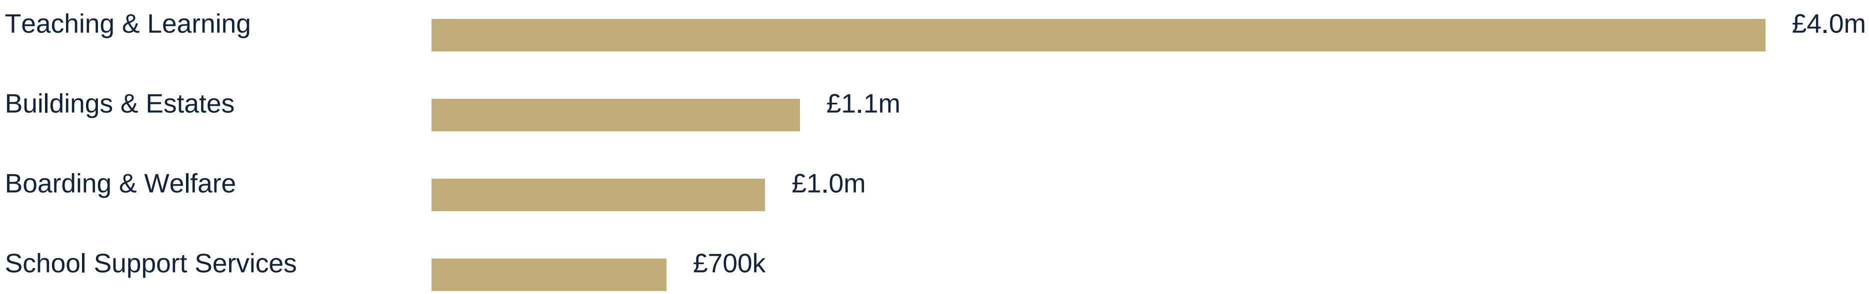
A Positive Year for St Davids

St Davids strengthened its financial position in a challenging year for the independent sector. Reserves increased, pupil numbers grew, a healthy surplus was achieved and more than £1m was invested in long-term financial resilience. Independent auditors concluded that St Davids has the resources and plans necessary to continue operating successfully for the foreseeable future.

Key Developments

- Pupil numbers increased from 265 to 275
- £712,120 awarded in bursaries and support
- Strong boarding demand throughout the year
- Continued investment in facilities and technology

How St Davids Invests in Pupils



Looking Ahead

- Enhanced teaching facilities
- Sports facility development
- Boarding accommodation improvements
- Technology and learning resources
- Long-term financial sustainability
